

Little Hallingbury School Development Fund

DONATION REQUEST FORM

At Little Hallingbury School we would greatly appreciate contributions from parents, families and members of the local community to our School Development Fund.

Created to help the School to maintain standards and to provide a rich curriculum, at a time when central funding is being severely cut, the Fund will help to finance many significant projects, whilst also ensuring that basic resources are available and essential services are supported.

Your contribution will make a real difference to our ability to improve standards and to provide facilities for an excellent education now and in the future.

Thank you for your generous support.

Please make a regular monthly donation by standing order:
